- Add Summer mix on page 4 for a Full day option

### Drawing & Painting Art Camp

**Grades 2-5 / 1 wk starting Jun 28 / \$115 + \$15 material fee**

Does your child draw all the time? Do they want more technical instruction? Or would they just like more opportunity to express their ideas on paper? The emphasis in this camp is on drawing and painting. Young artists will learn shading techniques, perspective, and color mixing while creating portraits, still-life works and landscapes. Their ideas will flourish when they're given access to pastels, charcoals, chalk, paint pens and various other materials. Materials fee due at first class.

**RP1803.801 9am-noon M-F**

**RP1803.802 1-4pm M-F**

### Art Exploration!

**Grades 2-5 / 1 wk, start dates below / \$115 + \$15 material fee**

Young artists will work with fabric, wood, clay, papier-mâché, textiles and many more materials while making sculptures, collages, puppets and multiple other artworks. Your child's imagination will soar as we explore the many ways to create two and three-dimensional art. The focus of this camp is on mixed media. If your child enjoys arts and crafts, he or she will enjoy this! Materials fee due at first class.

**RP1805.801 Jul 12 9am-noon M-F**

**RP1805.801 Jul 12 1-4pm M-F**

**RP1805.801 Jul 26 9am-noon M-F**

**RP1805.804 Jul 26 1-4pm M-F**

### Art Inspiration!

**Grades 2-5 / 1 wk starting Aug 2 / \$115 + \$15 materials fee**

Wonderful artists from the past and present are the inspiration for this camp. Children will read about and view the artworks of such famous artists as Alexander Calder, Roy Lichtenstein, Andy Warhol, Georgia O'Keefe and more. Then, they will create artworks in the style of those artists: mobiles, comic strips, pop art and floral enlargements. Can your child design and build a "dream house" like Frank Lloyd Wright? You bet! This camp will give your child access to multiple art media and to some fun art history! Materials fee due at first class.

**RP1804.801 9am-noon M-F**

**RP1804.802 1-4pm M-F**

## **Kidz Art**

- Please wear old clothes and bring a snack (no nut products).
- Materials fee due at first class.

### **Around the World**

**Grades 1-3 / 1 wk starting Aug 16 / \$129 + \$25 materials fee**

Come with us & zoom from one corner of the globe to another, exploring countries & cultures through vibrant art, as well as top-notch crafts. At each stop, campers will create a unique souvenir that will make them proud & remind them of their travels. At the beginning of our week, campers are issued blank "passports." They will look forward to receiving special stamps after their successful completion of each country's artwork. Campers will be encouraged to experiment with a wide variety of media, including clay, weaving, printmaking, pastels & more.

**RP1897.801 Glenwood Com Ctr 9am-noon M-F**

### **Zoofari**

**Grades 1-3 / 1 wk starting Jul 12 / \$129 + \$25 materials fee**

Learn how to draw some of your favorite animals—anyone can be an artist! Try some bold patterns, colors and crazy animal designs. Zoofari artists will be encouraged to experiment with a wide variety of media, including three-dimensional sculpture, unique surfaces and more. Students will walk away with a lot more than just an appreciation of art; they will learn how to overcome obstacles, how to focus their attention through guided exercises and how to use their creative muscle.

**RP1863.801 Worthington ES 9am-noon M-F**

### **Wacky World with KidzArt**

**Grades 3-6 / 1 wk starting Aug 16 / \$129 + \$25 materials fee**

Your passport awaits you, and you can fill it as you travel with us to Russia, France, New Zealand, Kenya, Brazil and many, many more wild and wacky locales. Campers learn and create stunning original art along the way, all inspired by incredible, faraway places. Participating artists will be encouraged to experiment with a wide variety of media, including clay, multi-layer collage, beading, "found objects" and metal.

**RP1845.801 Glenwood Com Ctr 1-4pm M-F**

### **Wild Things**

**Grades 3-6 / 1 wk starting Jul 12 / \$129 + \$25 materials fee**

Taking our cues from creatures from around the globe, kids who are "wild about art" will take their creativity to a new level through colorful, unique art experiences. Artists will be encouraged to experiment with a wide variety of media, including three-dimensional sculpture and portraiture, as well as work with "found objects" and fabric. Artists will be challenged to overcome obstacles, take artistic risks and make them work, focus their attention and stretch that awesome creative muscle.

**RP1813.801 Worthington ES 1-4pm M-F**

## Teenz Art

- Materials fee due at first class.

### Fantasy Art: Monsters and Heroes

10 yrs + / 1 wk starting Jul 26 / \$165 + \$25 materials fee

Intermediate and advanced artists will explore and learn the style elements and underlying guidelines used in drawing stunning original heroes, monsters, villains and other fantasy characters. Step-by-step exercises will build skills in drawing body forms and facial features. Along the way, campers will learn about story and character development and also experiment with Manga, a popular, fresh drawing style from Japan. Students from last year's *TeenzArt Manga* camp will find many new techniques to explore here.

RP1846.801 Long Reach HS 9am-noon M-F

### Fashion Forward 101

10 yrs + / 1 wk starting Aug 2 / \$165 + \$25 materials fee

Campers learn sketching techniques, develop personal artistic styles and study the language of the fashion industry while creating original fashion designs. Participate in "inspiration challenges" to bring your own visions alive. Talk about beauty that begins with health and draw form and fabric with ink, pastel, colored pencil and watercolor. Two 3-D projects are included and a special fashion and design show is held on the last day. **NOTE: This is for first-time designers only; returning designers should take Advanced Fashion Forward.**

RP1811.801 Long Reach HS 9am-noon M-F

### Advanced Fashion Forward

10 yrs + / 1 wk starting Aug 2 / \$165 + \$25 materials fee

In this camp, young artists take their interest in fashion design to the next level by tackling the tricks of expertly portraying fabric, hair and faces on the page. In addition, consideration of marketing and display will be practiced in a continuing exploration of the fashion industry. Lots of fun and friend making is still in the mix, as we continue to complete individual "inspiration challenges," as well as more fun 3-D projects and activities. A more detailed expression of each camper's personal vision and style will be encouraged and supported. As always, a special fashion and design show is held on the last day.

### **Keyboard/Piano Camp at River Hill HS**

**9-18 yrs / 1 wk, start dates below / 9:15am-12:15pm, Monday-Friday / \$149**

Come and learn the rudiments of playing tunes & songs on a piano (or keyboard) in just one week. No previous training or skill is required – our emphasis will be learning to play songs “by ear” without printed music. Learn the building blocks that make up almost every song you already know: scales, chords and chord progressions. Then discover how songs use those building blocks over and over again, and learn to play them yourself! You’ll also learn about improvisation, and even writing your own songs. Final day of camp will include a performance. The lab is equipped with 20 full-size Yamaha digital pianos. Must have piano at home to practice.

## Chomp, Stomp, Blech Dinosaurs

**Grades 1-5 / 1 wk, start dates below / Monday-Friday / \$189**

Make a cast of a T-Rex tooth when you study the ancient world of dinosaurs. Find out how rocks are formed and go "panning" for minerals. Find out what all animals have in common and then the ecosystems in which the dinosaurs and modern day animals live. Many say the dinosaurs came from the ocean so we learn about the ocean habitat and environmental crisis in the seas. Finally, from the nuts and bolts of the universe the molecules and matter. We move on to plants and minerals.

## Crime Scene and Chemistry

**Grades 1-5 / 1 wk, start dates below / 9am-3:30pm, Monday-Friday / \$295**

Mad Science introduces you to life in the form of cells and organs and to how the science behind life can help you solve a crime! Discover the secrets behind batteries and design marshmallow molecules! Conduct electricity and power a Mad Science whirlygig. Experience blood pumping through the heart and air moving through the lungs. Use ooey gooey ingredients to build a model cell & use your own traits to decode & decipher your DNA.

## Mad Science continued

### **Earth Space and Beyond**

**Grades 1-5 / 1 wk starting Jul 12 / 9am-3:30pm, Monday-Friday / \$295**

Explore the mysteries of the solar system. How do astronauts live and work in space? These are only a few of the things that must be dealt with on this Mad Science space mission! Use Morse code to send secret messages. Learn the basics about water pollution, acid rain and the benefits of solar energy. By recycling your own garbage you will get to make your very own paper to take home!

**RP1888.801 Clarksville Middle School**

### **NASA Journey into Outer Space**

**Grades 1-5 / 1 wk, start dates below / Monday-Friday / \$189 + \$10 materials fee**

From our Earth's atmosphere to the outer reaches of our solar system, this hands-on program sends campers on a quest for exploration! Comets, planets, stars and more are all waiting to be discovered. Learn about the four forces of flight, the challenges of space travel, and participate in a rocket launch! Materials fee due on first day.

**Grades 1-3 9am-noon**

**RP1886.801 Centennial HS Jun 28**

**RP1886.802 Long Reach HS Aug 2**

**Grades 3-5 12:30-3:30pm**

**RP1886.811 Long Reach HS Aug 2**

**RP1886.812 Centennial HS Jun 28**

### **Sensational Science**

**Grades 1-5 / 1 wk starting Jul 19 / Monday-Friday / \$189**

Learn all about static electricity...Watts that? You'll find out this week! Let your taste buds soar with tantalizing tastes. Get slimed! Things are not always as they appear as you'll see with optical illusions. What makes the world go 'round? It's magnetic power! Light rays and dyes...what's the difference? How is cotton candy made? It's heat, of course! What's that? I didn't hear you – find out how sound travels.

**RP1892.801 Clarksville MS**

**Grades 3-5 12:30-3:30pm**

**RP1892.802 Clarksville MS**

### **Science in Motion**

**Grades 1-5 / Course lengths, start dates & prices below / 9am-3:30pm**

Discover how things move with science. Take apart pellets to see what an owl cannot digest! View the world through a camera obscura that you make yourself. Join a team of camper engineers and build bridges, domes, cubes and pyramids. Assemble and control pulleys, levers, catapults and simple machines. Make your own sidewalk chalk, crystal gardens and chromatography-dyed tee shirt!

**RP1887.801 Centennial HS Jul 6 Tu-F 4 days / \$235**

**RP1887.802 Long Reach HS Jul 26 M-F 5 days / \$295**

### **Red Hot Robots**

**Grades 2-6 / 1 wk, dates below / 9am-3:30pm, Mon-Fri / \$295 + \$15 materials fee**

Learn about the uses of robots in the world. Spend time playing with our super cool, red-hot robots. Use your skills to build your very own working robot to take home to "live" with you. Learn how robots discover the environment they are placed in using sensors like infrared. Working in groups, explore how robots work and how they can make our lives easier. Materials fee due on first day.

# SCIENSATIONAL WORKSHOP

*For more information on Science Camps call Danielle Bassett 410-313-4634*

## **Lasers, Galaxies & Then Some**

**7-12 yrs / 1 wk starting Jul 26 / 9am-noon, Monday-Friday / \$189**

Each day, we conduct experiments, discover the amazing and test our own ideas. You will learn about LASERS. Work with our light blitzer as a laser light flashes to music. We will conduct experiments with our LASER POINTER plus lenses and mirrors as we have fun and learn. Children will make and take home a 30x magnification plastic mini microscope. Build and take home your own kaleidoscope, spectroscope, periscope and constellation watcher. Watch the constellations in our room and learn about all the planets as you take our 3-D Adventure into outer space! Full day (9am-4pm) option available: choose a morning & an afternoon camp, plus lunch option.

**RP1860.801 Lime Kiln MS**

## **Roller Coasters & More Amusement Park Rides**

**7-12 yrs / 1 wk starting Jul 26 / 1-4pm, Monday-Friday / \$189**

Learn simple engineering ideas, but come here for action and fun. Build a working roller coaster as part of a group and watch as our coaster cars go up and down steep inclines, as well as through many thrilling loops. Our roller coaster will be 3 ft. long and 3 ft. high. See if you can change things to make the ride more exciting. Students will learn first-hand the mechanism of a roller coaster. Design and help build other amusement park rides such as a Ferris wheel, octopus whirl, swing ride or other types of rides. We'll have our own great adventure working... learning...and having fun! Full day (9am-4pm) option available: Choose a morning & an afternoon camp, plus lunch option.

**RP1861.801 Lime Kiln MS**

## **Maglev Cars: Magnetic Levitation for Future Transportation**

**7-12 yrs / 1 wk starting Jul 19 / 9am-noon, Monday-Friday / \$189**

Build your own "futuristic Maglev" car to race and take home. In 1999, a Japanese five-car maglev train set a record of 345 miles/hour. Yours won't go that fast, but we will have fun building it and learning how it operates. Learn about the relationship between magnetism and electricity. You will also get to build a simple maglev track as well as a cool electromagnet. Learn how motors work, as well as generators. Build and take home the world's simplest motor. Make your own compass and take part in many other magnificent magnetic activities! Yes, Sciensational Workshops again starts with the maglev car (magnetism - electricity - levitation) and goes in all directions to have fun and learn while doing hands-on activities. Full day (9am-4pm) option available: choose a morning & an afternoon camp, plus lunch option.

**RP1852.801 Lime Kiln MS**

## **Sciensational Workshops for Kids Inc. Lunch Option**

**6-12 yrs / 1 wk, start dates below / Monday-Friday / \$20**

Combine this section with a morning camp and/or an afternoon camp to extend the fun. Bring lunch and a beverage (no nut products). Outdoor play included, weather permitting

**Mad About Manners at Atholton ES**

**8-12 yrs / 1 wk starting Jul 19 / \$245**

Join the International School of Protocol for an exciting week of instruction in dining skills & social etiquette. Learn proper greeting & introductions, hand-shaking, conversation & communication skills, how and when to write thank-you notes, behavior for public places, leadership skills, use of utensils & glassware, how to handle difficult to eat foods, body language at the table & other dining do's and don'ts. Great for building confidence & self-esteem! Fee includes snack.

**RP1704.801 9am-noon M-F**

**Gain the Competitive Edge at Centennial HS**

**Grades 9-12 / 1 day, dates below / 10am-12pm / \$40 per day**

Whether in the classroom, on the job, preparing for college or getting ready for an interview, it is important for people to distinguish themselves from the rest of the pack. Discover the secrets to success in this five-day program. Attend one to five days. Monday: First Impressions, Image & Dress; Tuesday: Nonverbal Communication, Listening, Conversation, Telephone Skills & Thank-You Notes; Wednesday: Interviewing & Resume Building; Thursday: Public Speaking; & Friday: Dining Skills. Fee includes snack.

**Not So Simple Engineering!**

**8-12 yrs / 1 wk, start dates below / \$185**

Working in teams of two, campers will not only learn what simple machines are, but will design and construct them. Add motors, sensors and actuators to help the machines come to life! This class will use a combination of LEGO® and PicoCricket™ kits.

**RP1758.801 Gorman Crossing ES Jun 28 1-4 pm M-F**

**RP1758.802 Centennial HS Jul 19 1-4 pm M-F**

**Green Machines!**

**9-11 yrs / 1 wk, start dates below / \$185**

Combine engineering with alternative energy. Working as partners, build cars, cranes, draw-bridges and operate them using alternative energy sources. Start with electricity and use a multimeter to measure continuity, resistance and voltage. Experiment with wind, water, fuel cells and solar panels and produces energy.

**RP1757.801 Gorman Crossing ES Jun 28 9am-12pm M-F**

## Technology with iCamp

### **Video Game Creation, Animation, Audio Engineer, Digital Art & Robotics**

**7-11 yrs / 1 wk, start dates below / 9am-noon, Monday-Friday / \$250**

Choose your ADVENTURE! In Children's Technology Workshop iCamp™ campers may be challenged with a first Lego™ League-style robotics mission, create a video game using an object-oriented, GUI-based programming language, explore digital animation software, or create their own custom sounds and audio tracks. Children will complete applied technology adventures customized to their skill level. Camp features a 1:1 camper-to-laptop ratio and a 6:1 camper-to-instructor ratio.

## Technology with Dr. Furr

- Register for two \$185 Dr. Furr camps in the same week and reduce the price to \$165 per camp.

### **Computers for Kids**

**Grades 1-2 / 1 wk, start dates below / 10-11:30am, Monday-Friday / \$135**

Designed for children who have recently completed kindergarten and/ or 1st grade where they completed the Technology curriculum. Campers will work with a partner and complete a variety of activities that are fun and entertaining and that teach them basic computer skills that align with the school system goals. We will work with Windows-based computers.

**RP1750.801 Jul 12 Pointers Run ES**

**RP1750.802 Jul 26 Pointers Run ES**

### **Build a Webpage at Pointers Run ES**

**7-11 yrs / 1 wk, start dates below / 1-3:30pm, Monday-Friday / \$185**

Impress your friends and family with your very own Internet pages. Campers will first learn about HTML, the language of the Internet and then move to easier "What you see is what you get" software. Get a DVD of your work to share with friends.

**RP1751.801 Jul 12 Pointers Run ES**

**RP1751.802 Jul 26 Pointers Run ES**

### **Clay Animation**

**7-11 yrs / 1 wk, start dates below / 10am-12:30pm, Monday-Friday / \$185**

This camp combines three things that kids love: clay, computers and movie making! Create a skeleton out of soft wire and cover it with a special clay to make creatures and objects that will star in your movie. Make a background for your scenes and then take over 100 photos of your clay in "action." Campers will download the photos in a software program that allows them to add titles and sound.

**RP1752.801 Jul 19 Pointers Run ES**

**RP1752.802 Aug 2 Pointers Run ES**
